BUTTER

Product Description

Compound butter is a butter jazzed up with other ingredients such as herbs and spices. Slices of compound butters make great garnishes for grilled fish or grilled steaks. They also enhance the flavor of steamed vegetables, spreads and sauces. They are great to keep in the freezer because they are ready at a moment's notice. Just cut slices as needed and place the rest of the wrapped log back in the freezer.

Pack and Case Specifications

Pack Net Weight

8.8oz

Packs per Case

10

Case Size (LxWxH)

9" x 8" x 4"

Case Cube
